Exclusive Partner for Vehicles with more than 5t

PREMIUM-SEAL Truck/Bus-Set exclusive at WABCO

Besigheim/ Munich 15.1.2008: As manufacturer of the most innovative tyre-repair-sets Premium-Vertriebs GmbH has established the worldwide unique set for the mobility of trucks and busses in the OEM- and trade-market. Together with product-improvements WABCO, one of the world-leading suppliers of the commercial vehicle industry, has been won as exclusive strategic partner for the product-segment.

The exclusive strategic partnership with WABCO includes the areas service and support, sales and product-development for the truck repair-set. With this arrangement Premium's customers can rely on the worldwide structure of the commercial vehicle specialist. The sales-structure of the commercial vehicle specialist supports customers exclusively and directly through the offices in each country. Repair-set customers with vehicles below 5t can make use of the WABCO-structure as part of a non-exclusive cooperation.

Beside the economic customer-advantages – as well the weight as the space of the spare-wheels in trucks and busses can be saved – the perfect fit of the combination with WABCO's tyre-pressure-monitoring system IVTM was decisive for the partnership. The product is offered worldwide under the name WABCO Tire Premium Seal. The comfort and the security of the driver are improved. In addition fleet-owners profit from the reduction of the downtimes so that

tight schedules can be held. A higher payload and the friendly disposal support the protection of the environment.

With WABCO as strategic partner Premium can enforce its concentration on the highly competitive market-segments car and light commercial vehicle. With its AIO-products PREMIUM offers the leading-edge and best value solutions considering the driver security, the ease of use and the environmental aspects. Based on these advantages the innovative AIO-products succeed against competitor-products in tests and are accepted increasingly as standard equipment.

About PREMIUM-SEAL:

Innovation and service in the motor-industry are claim and motivation for Premium Vertriebs GmbH. Today the company is represented in more than 30 countries. Innovation means to look at a problem as a challenge and to handle it with simple and innovative means. Service is the absolute will that customers are satisfied.

With these guidelines PREMIUM-SEAL has become standard supplier for companies like DaimlerChrysler, NEOPLAN etc. Famous trade organisations such as Stahlgruber, BOSCH, Point-S, TOP SERVICE TEAM and others have decided to distribute the products. An area-wide supply is realized in Germany and other countries as well.

About WABCO:

WABCO is one of the world's leading providers of electronic braking, stability, suspension and transmission control systems for heavy duty commercial vehicles. Customers include the world's leading commercial truck, trailer and bus manufacturers. Founded in the U.S. in 1869 as Westinghouse Air Brake Company, WABCO was acquired by American Standard in 1968 and spun off in 2007. Headquartered in Brussels, Belgium, WABCO employs more than 7,000 people in 34 offices and production facilities worldwide. In 2006, WABCO's total sales were \$2 billion. WABCO is a publicly traded company and is listed on the New York Stock Exchange under the stock symbol WBC.
